Language Arts: Plugged In

How to use Digital Media to Engage Your Millennial Learners

Are you looking for new ways to make learning more exciting for your students and to deliver the Nebraska standards in a way that is dynamic as well as cutting-edge?

This workshop will teach you how to design learning opportunities that utilize the technology that your students enjoy and may already be utilizing in their personal lives. We will also provide tips for working with your administrators and technology staff to help get you up and running.

Topics Include:

- > Wikis
- > Blogs
- > Nings
- > Interactive Worksheets
- > SMART/Promethean Boards
- > Marzano's Learning Strategies
- > Gardner's Multiple Intelligences
- > Bloom's Taxonomy

Interested? Contact your district or the staff developers at your ESU to discuss scheduling a workshop.
